

Thou art formless unborn and unique  
Thou art beyond bliss and infinite  
From attributes and desires thou art free  
**GANESH**, O Supreme Spirit I worship thee  
**Ganeshastava**  
Make me loyal and sincere for I shall refine  
And link my knowledge with strength  
and discipline  
The respect to my teacher I must nourish  
For my country is INDIA that I always cherish

The Most respected, most revered and most worshipful Shriman Ayya, Honorable members of the Managing Committee, Distinguished Chief Guest, **Mr.T. Murthy, M.A. M.B.A.,I.Po.S,** Member (Operations), Postal Services Board, Department of Posts, Ministry of Communications & IT, Government of India, New Delhi the learnedscholars of the teaching community, supporting staff of administration, invited guests, Reporters from the media and my dear students. On the eve of the **60<sup>th</sup> College Day** celebrations, we have gathered here to proudly ponder over the great strides our premier institution has made over a period of more than half a century, to introspect the academic and allied activities of the current academic year, to relish our deeds collectively achieved, to cherish our contributions to the society with joy and satisfaction and to take a pledge for rededicating ourselves to the noble task of recasting the rural fabric of this backward district.

On this auspicious occasion, we feel that it is our prime duty to remember here with all gratitude the founders who are the cornerstones of this College.

The Founder President **Rao Bahadur Sri A. Veeriyā Vandayar's** visit to Oxford and Cambridge Universities in 1955 became a great inspiration to start this college in 1956 to educate the rural downtrodden masses of this delta district.

The Vandayar Family donated more than 750 acres of fertile land for this college. During their life time Rao Bahadur Shri. A. Veeriyā Vandayar and his illustrious brother **Shri A.Krishnasamy Vandayar** through their pioneering effort shaped this college into a temple of learning at Poondi village of Thanjavur District.

From 1972, our beloved Secretary and Correspondent, Shri. **K. Thulasiah Vandayar** has been dedicating his life to the cause of educating the poor villagers without any capitation fee for admission or without any consideration of money for appointment.

The **Autonomous status** granted in 1987 is in force with 29 years of rich experience reinforced with spotless success. The **National Accreditation and Assessment Council** (NAAC) of India accredited our esteemed institution with 4 star status in 1999; A Grade in 2007 and in the re-accreditation third cycle has awarded 'A' Grade with 3.38 points.

As a forerunner to introduce technical education, **M.B.A.** Programme was started through Sri Pushpam College of Technical Education in 2000 with affiliations from Bharathidasan University, Trichirappalli and **AICTE, New Delhi**.

In 2006, the **Golden Jubilee** was celebrated and the then **Honorable President of India Dr.A.P.J. Abdul Kalam** graced the occasion and inaugurated the scheme **Poondi Pura** (Provision of Urban Facilities in Rural Areas).

In memory of the **Golden Jubilee year**, an institute under the name **SPIVET (Sri Pushpam Institute of Vocational Education and Training)** was established at Thanjavur to promote vocational education and continuing education.

Our institution is firmly standing with sprawling roots of culture and tradition and all the same the branches of modernity are waving their leaves atop. Our college is poised for a giant leap in higher education and research, in the years to come, with globalization of higher education to the forefront in our thoughts and with the calculated futuristic, untiring endeavours.

By virtue of my privilege as the Head of the Institution, I indeed feel the honour of presenting the **College Annual Report** which highlights our various activities and achievements during the academic year **2015-2016**.

### *Programmes of Study*

The college started in **1956** with only two departments, 11 students and 3 teachers in the bungalow of Vandayars at Poondi, today stands in a sprawling 85 acres of land and **50,000 sq. mts.** of built up area, and functions with **18 departments, 8500 students including 4500 girls and 329 faculty members** of which **120** being Ph.D. holders. The strength of supportive staff of **Non-Teaching cadre is 141**.

**18 Undergraduate** Programmes, **17 Postgraduate** Programmes, **13 M.Phil.** and **14 Ph.D.** Programmes are offered in our college. Besides these programmes, **5 Postgraduate Diploma** Programmes are also offered. Totally **64 full fledged and approved programmes** and **20 certificate courses** are offered in the Campus.

### **Staff Elevation and Retirement:**

**Dr.S.Udayakumar** has been elevated as **Principal** and **Dr. C. Robert Alexander, Dean of Sciences**, **Dr.V. Sivapatham** of Tamil, **Prof. K. Thirumavalavan** of Commerce, **Dr.G.Komahan** of Mathematics, **Dr. K. Damodaran** of Zoology and **Dr. N. Krishnakumar** of Physical Education have been elevated as Co-ordinators during this academic year.

**Dr.S.Udayakumar**, Principal, **Dr. K. N. Shanmugam**, **Dr. T. Lakshmanamurthy**, **Prof. S. Poornachandran** of History and **Dr. N. Krishnakumar** of Physical Education retire at the end of this academic year after rendering their excellent service to this esteemed institution.

### **Admission of students in the current year:**

During this academic year, **2173UG** students have been admitted of which **1256** are **girls**. The number of **PG** students newly admitted in this academic year is **712** including **505 girl** students. In **M. Phil.374 scholars** have been admitted in both Full time and Part time, of which **216 are girls**. The current year admission of Ph.D. scholars is **77including45 girls**.

It is noteworthy to pinpoint here that the College when started at 1956 was only a boys' College and only in the year 2002, the floodgates of admission were opened to girls and today the statistics says that the strength of girls surpasses that of boys.

### **Award of degrees:**

**1342** UG Students, **732** PG Students, **290** M.Phil. Students and **48** Ph.D. Scholars

---

have been awarded with Degrees during this academic year.

### **Grant of Scholarships:**

4772 students have been benefitted by the grant of scholarship amount of **Rs.1,96,22,000** from the Harijan Welfare and Backward class Departments of the Government of Tamil Nadu.

In addition to these Scholarships, the management has distributed an amount of **Rs.14,50,000** as scholarship to 360 poor students for 2 semesters in this academic year from its own funds derived from the munificent Endowment of 750 acres of fertile lands in this Delta District.

### **Infrastructure Facilities:**

#### **Library:**

The college library contains **92,959** volumes of books and 5439 back volumes of periodicals and scholarly periodicals every month. On account of the annual membership to **INFLIBNET** (Information and Library Network) e-resources 54,950 e-books and 4490 e-journals are accessible. Moreover Networking consortium Annual membership and **DELNET** (Developing Library Network) are fully utilized by the members of the staff and the students of the Management Studies. Reprographic facilities are also available in the library.

As per the Gate Register, the average number of users of the Library per day stands as 880 with average number of persons accessed e-books per day is **27**. The reading seats available in the library are 200. Inaugurated by our revered Ayya, all transactions of the Library are automated.

#### **Hostel:**

Separate Hostels for both boys and girls are there in the College Campus. A total number of **300 boys and 200 girls** do find their hostels as homes away from homes.

#### **Health Centre**

With the spontaneous blessings and healthy guidelines of our respected Ayya, the college Health Centre has been rendering excellent service for the past sixteen years. The health centre is provided with a Residential Medical Officer **Dr.S.Veeraiyan** along with one Block Health Supervisor and one Staff Nurse. **Dr. S.Veeraiyan** has been providing round the clock medical service in the campus for the past sixteen years.

This year, we have given treatment for **9760** outpatients comprising students both boys and girls, staff members and rural public from the surrounding villages with drugs worth about **83,930/-** (Rupees Eighty three thousand nine hundred and thirty only). We have treated **753** emergency patients including **294** female students who were all seriously ill. In addition to these services, as per our respected Shriman Ayya's guidelines, we have saved 45 families by giving proper treatment, by way of counselling and treatment for drug addition, psychiatric convulsions, egoistic attitudes and interpersonal relationships.

#### **Transport facilities:**

The college provides **35 buses and 5 vans** for students and staff members coming from all the four directions and the students are much benefitted by the intrinsic values of

regularity, punctuality and discipline that are developed in the minds of the students.

In addition to the above existing facilities, with the UGC sanction of a sum of Rupees 40 lakh the construction of an outdoor stadium and with sanction of Rs. 70 lakh the construction of an Indoor stadium are going on.

### Internal Quality Assurance Cell (IQAC)

To promote and sustain quality in our institution, a high level committee **Internal Quality Assurance Cell (IQAC)** has been constituted.

The IQAC meets regularly every month to discuss the development activities and to oversee the execution of the decisions taken. It may be relevant to cite here a few developments born out of the activities of the IQAC.

The college newsletter under the title **Sri Pushpam NewsBulletin** for reporting the academic activities of the college has been published successfully from year before last year as a Quarterly Publication and we are glad that we have stepped into the third year of its publication.

An interdisciplinary Research Journal with ISSN Number entitled **TULASI (Transactions and Ultimatum of Linguistics, Arts and Scientific Innovations)** is published biannually.

An **Orientation for all Professors**, with Ayya's wish to update the academic standards and blessings, was conducted for 2 weeks from 06 to 18 April, 2015.

A **One Day Workshop** on Transformation to Learner Centric Approach was conducted for the Co-ordinators and IQAC sub committee members on 09.03.2016. Hon'ble. **Dr.N.Ethirajalu**, Vice Chancellor, PRIST University, Thanjavur enlightened the audience on the topic.

### Faculty Training Programme

Both training and upgradation in knowledge area are the warp and the woof of the internal fabric of a teacher in higher education. If one does not respond to this requirement, he may render himself irrelevant in the campus. Many teachers have made use of the opportunities and have undergone Orientation/Refresher Courses sponsored by Academic Staff Colleges in various parts of the country during this academic year.

## CONCLUSION

- The unique and phenomenal growth of this glorious institution is all due to the constant and keen interest shown by the Managing Committee in general and by our beloved Secretary and Correspondent Shriman Ayya in particular.
- We are highly indebted to the teaching fraternity for their untiring service, to the administrative machinery for its constant support and to the student community for its insatiable interest and involvement in studiously building this temple of learning of higher education and research.
- It is indeed an honour for us that our college that the Ministry of Science & Technology, Department of Science & Technology, New Delhi has released an amount of Rs.80,00,000 FIST under the subject area: Life Science, Physical, Chemical and Mathematical Sciences.
- I am delighted to announce that the amount Rs.1,60,00,00 sanctioned by UGC, New Delhi Under the Scheme of Development Of Sports Infrastructure & Equipment during XII Plan Period, the construction of 100 Bedded Sports Hostel is in progress.
- I am equally delighted that 3 Major Projects have been sanctioned by various funding agencies.
- I am delighted to record that in RJD office, Thanjavur, ours is the only college with 15 crores, 49 lakh being sanctioned and with no arrear bill pending.
- At this memorable moment, we, the students and the members of the staff, take a pledge to dedicate ourselves wholeheartedly to raise the standard of this esteemed institution which strives to serve this predominantly rural and agrarian area and thereby to the nation at large.

**I would like to conclude the consolidation of the details of our academic pursuits for the year 2015-2016 with the noble thoughts of our former President of India, A. P. J. Abdul Kalam**

Never stop fighting until you arrive at your destined place - that is, the unique you. Have an aim in life, continuously acquire knowledge, work hard, and have perseverance to realise the great life. My message, especially to young people is to have courage to think differently, courage to invent, to travel the unexplored path, courage to discover the impossible and to conquer the problems and succeed. These are great qualities that they must work towards. This is my message to the young people.

**Let me conclude with Ayya's words: Have an ear for good; it will work for your ambitious bloom.**

**Thank you all!**
