

Thou art formless unborn and unique
Thou art beyond bliss and infinite
From attributes and desires thou art free
GANESH, O Supreme Spirit I worship thee
Ganeshastava
Make me loyal and sincere for I shall refine
And link my knowledge with strength
and discipline
The respect to my teacher I must nourish
For my country is INDIA that I always cherish

The Most respected, most revered and most worshipful Shriman Ayya, Honorable members of the Managing Committee, Distinguished Chief Guest, **Dr.P. Kolandaivel**, Vice Chancellor, Periyar University, Salem, the learned scholars of the teaching community, supporting staff of administration, invited guests, Reporters from the media and my dear students. On the eve of the **63rd College Day** celebrations, we have gathered here to proudly ponder over the great strides our premier institution has made over a period of more than half a century, to introspect the academic and allied activities of the current academic year, to relish our deeds collectively achieved, to cherish our contributions to the society with joy and satisfaction and to take a pledge for rededicating ourselves to the noble task of recasting the rural fabric of this backward district.

On this auspicious occasion, we feel that it is our prime duty to remember here with all gratitude the founders who are the cornerstones of this College.

The Founder President **Rao Bahadur Sri A. Veeriya Vandayar's** visit to Oxford and Cambridge Universities in 1955 became a great inspiration to start this college in 1956 to educate the rural downtrodden masses of this delta district.

The Vandayar Family donated more than 750 acres of fertile land for this college. During their life time Rao Bahadur Shri. A. Veeriya Vandayar and his illustrious brother **Shri A.Krishnasamy Vandayar** through their pioneering effort shaped this college into a temple of learning at Poondi village of Thanjavur District.

From 1972, our beloved Secretary and Correspondent, Shri. **K. Thulasiah Vandayar** has been dedicating his life to the cause of educating the poor villagers without any capitation fee for admission or without any consideration of money for appointment.

The **Autonomous status** granted in 1987 is in force with 30 years of rich experience reinforced with spotless success. The **National Accreditation and Assessment Council (NAAC)** of India accredited our esteemed institution with 4 star status in 1999; A Grade in 2007 and in the re-accreditation third cycle has awarded 'A' Grade with 3.38 points. We have submitted the Annual Quality Assurance Report (AQAR) from 2013-14 to 2017-2019 to NAAC.

As a forerunner to introduce technical education, **M.B.A.** Programme was started through Sri Pushpam College of Technical Education in 2000 with affiliations from Bharathidasan University, Trichirappalli and **AICTE, New Delhi**. We are proud that it has been elevated as Research Centre offering M. Phil. and Ph. D. from this academic year.

In 2006, the **Golden Jubilee** was celebrated and the then **Honorable President of India Dr.A.P.J. Abdul Kalam** graced the occasion and inaugurated the scheme **Poondi Pura** (Provision of Urban Facilities in Rural Areas).

In memory of the **Golden Jubilee year**, an institute under the name **SPIVET (Sri Pushpam Institute of Vocational Education and Training)** was established at Thanjavur to promote vocational education and continuing education.

Our institution is firmly standing with sprawling roots of culture and tradition and all the same the branches of modernity are waving their leaves atop. Our college is poised for a giant leap in higher education and research, in the years to come, with globalization of higher education to the forefront in our thoughts and with the calculated futuristic, untiring endeavours.

By virtue of my privilege as the Head of the Institution, I indeed feel the honour of presenting the **College Annual Report** which highlights our various activities and achievements during the academic year **2018-2019**.

Programmes of Study

The college started in **1956** with only two departments, 11 students and 3 teachers in the bungalow of Vandayars at Poondi, today stands in a sprawling 85 acres of land and **50,000 sq. mts.** of built up area, and functions with **18 departments, 8500 students including 4500 girls and 329 faculty members** of which **120** being Ph.D. holders. The - strength of supportive staff of **Non-Teaching cadre is 141.**

18 **Undergraduate** Programmes, 17 **Postgraduate** Programmes, 13 M.Phil. and 14 **Ph.D.** Programmes are offered in our college. Besides these programmes, 5 Postgraduate Diploma Programmes are also offered. Totally **64 full fledged** and **approved programmes** and **20 certificate courses** are offered in the Campus.

Staff Elevation and Retirement:

Major Dr. R. Venkatachalam of Chemistry has been elevated as Principal, **Dr. P. Nadimuthu** as **Director of SPCTE**, **Dr. R. Ravichandran** of Tamil, **Dr. V. Ramakrishnan** of Commerce, **Dr. Pramesh** of Chemistry, **Dr.P.Natarajan** of Zoology and **Dr.M. S. Muthu Ramalingam** of Physical Education have been elevated as Co-ordinators during this academic year.

Dr. R. Ravichandran and **Dr. S. Alagirisway** of Tamil, **Prof. C. Murthy** of Zoology, **Prof. V. Ramesh** of Computer Science and among the non teaching, **Mr. M.Panneerselvam**, Marker retire this academic year after rendering their service to this esteemed institution.

Admission of students in the current year:

During this academic year, **1853 UG** students have been admitted of which **945** are **girls**. The number of **PG** students newly admitted in this academic year is **452** including **345** **girl** students. In M. Phil. **209 scholars** have been admitted in both Full time and Part time, of which **129 are girls**. The current year admission of Ph.D. scholars is **48** including **24 girls**.

It is noteworthy to pinpoint here that the College when started at 1956 was only a boys' College and only in the year 2002, the floodgates of admission were opened to girls and today the statistics says that the strength of girls surpasses that of boys.

Award of degrees:

1477 UG Students, 773 PG Students, 195 M.Phil. Students and **39** Ph.D. Scholars have been awarded with Degrees during this academic year.

Grant of Scholarships:

7608 students have been benefitted by the grant of scholarship amount of Rs. 26,624,488 from the Harijan Welfare and Backward class Departments of the Government of Tamil Nadu.

In addition to these Scholarships, the management has distributed an amount of Rs.2,72,290 as scholarship to 36 poor students for 2 semesters in this academic year from its own funds derived from the munificent Endowment of 750 acres of fertile lands in this Delta District.

Infrastructure facilities:

Library:

The college library contains **95,174** volumes of books and **5861** back volumes of periodicals and scholarly periodicals every month. On account of the annual membership to **INFLIBNET** (Information and Library Network) e-resources 54,950 e-books and 4490 e-journals are accessible. Moreover Networking consortium Annual membership and **DELNET** (Developing Library Network) are fully utilized by the members of the staff and the students of the Management Studies. Reprographic facilities are also available in the library.

As per the Gate Register, the average number of users of the Library per day stands as 689 with average number of persons.

Hostel:

Separate Hostels for both boys and girls are there in the College Campus. A total number of **297 boys and 248 girls** do find their hostels as homes away from homes.

Health Centre

The college Health Centre renders excellent service for the past sixteen years. The health centre is provided with a Residential Medical Officer **Dr. S. Veeraiyan** along with one Block Health Supervisor and one Staff Nurse. This year, we have given treatment for **8127** outpatients comprising students both boys and girls, staff members and rural public from the surrounding villages with drugs worth about **60,358/-** (Rupees Two lakh only). We have treated **406** emergency patients including **150** female students.

Transport facilities:

The college provides **35 buses and 5 vans** for students and staff members coming from all the four directions and the students are much benefitted by the intrinsic values of regularity, punctuality and discipline that are developed in the minds of the students.

Internal Quality Assurance Cell (IQAC)

The **Internal Quality Assurance Cell (IQAC)** meets regularly every month to discuss the development activities and to oversee the execution of the decisions taken. It may be relevant to cite here a few developments born out of the activities of the IQAC.

An interdisciplinary Research Journal with ISSN Number entitled **TULASI (Transactions and Ultimatum of Linguistics, Arts and Scientific Innovations)** is published biannually.

An **Orientation Course for Freshers** was conducted on 29 & 30th Dec. 2019 for Freshers totalling 50 in number. With Research Advisory Committee, IQAC organized a **Workshop** on Research Methodology, Scientific Writing and Statistical Data Analysis twice on 05, 06 October and on 15 February 2019.

As our institution has been declared the NAAC-Mentor for 10 other colleges in the region, as per NAAC's recommendation a one day **Workshop** on "Accreditation and Assessment of Higher Education Institution" was conducted on 26 January 2019. Another workshop on **Swayam** was conducted on **02 February 2019**.

Faculty Training Programme

Both training and upgradation in knowledge area are the warp and the woof of the internal fabric of a teacher in higher education. If one does not respond to this requirement, he may render himself irrelevant in the campus. Many teachers have made use of the opportunities and have undergone Orientation/Refresher Courses sponsored by Academic Staff Colleges in various parts of the country during this academic year.

SPORTS ACTIVITIES

The Annual Sports meet is to be held on 27 and 28 February 2019 in a grand Scale. Dr.Palaniswamy, Physical Director, Bharathidasan University, Trichirappalli will preside over the function and distributes the Prizes.

To conclude, the unique and phenomenal growth of this glorious institution is all due to the constant and keen interest shown by the Managing Committee in general and by our beloved Secretary and Correspondent Shriman Ayya in particular.

We are highly indebted to the teaching fraternity for their untiring service, to the administrative machinery for its constant support and to the student community for its insatiable interest and involvement in studiously building this temple of learning of higher education and research.

It is indeed an honour for us that our college has been sanctioned an amount of Rs.80,00,000 **FIST** under the subject area: Life Science, Physical, Chemical and Mathematical Sciences by the **Ministry of Science & Technology**, Department of Science & Technology, New Delhi.

I am delighted to announce that our college has been sanctioned Rs.1,60,00,00 by **UGC, New Delhi** for Financial Assistance Under the Scheme of Development Of Sports Infrastructure & Equipment During XII Plan Period for the construction of **100 Bedded Sports Hostel** and the process is in progress.

I am equally delighted to announce that **1 Major**, funded by DST **2 Minor Project** funded by IARA and Grabs, 1 **Minor** ongoing project funded by AICTE, Delhi and **3 National level Seminars** have been sanctioned during this academic year.

At this memorable moment, we, the students and the members of the staff, take a pledge to dedicate ourselves wholeheartedly to raise the standard of this esteemed institution which strives to serve this predominantly rural and agrarian area and thereby to the nation at large.

CONCLUSION

The unique and phenomenal growth of this glorious institution is all due to the constant and keen interest shown by the Managing Committee in general and by our beloved Secretary and Correspondent Shriman Ayya in particular. The saying Clean Poondi, Green Poondi become true by real maintenance.

We are highly indebted to the teaching fraternity for their untiring service, to the administrative machinery for its constant support and to the student community for its insatiable interest and involvement in studiously building this temple of learning of higher education and research.

I am equally delighted that 12 UGC Minor Projects, one DST major Project, 2 Seminars sanctioned by UGC and one Workshop sanctioned by ICSSR, New Delhi have been approved by UGC this academic year. At this memorable moment, we, the students and the members of the staff, take a pledge to dedicate ourselves wholeheartedly to raise the standard of this esteemed institution which strives to serve this predominantly rural and agrarian area and thereby to the nation at large.

I would like to conclude the consolidation of the details of our academic pursuits for the year 2016-2017 with the noble thoughts of our former President of India, A. P. J. Abdul Kalam: “My message, especially to young people is to have courage to think differently, courage to invent, to travel the unexplored path, courage to discover the impossible and to conquer the problems and succeed. These are great qualities that they must work towards. This is my message to the young people.”

Let me conclude with Ayya’s words: Have an ear for good; it will work for your ambitious bloom.

Thank you all!
