The Most respected, most revered and most worshipful Shriman Ayya, Honorable members of the Managing Committee, Distinguished Chief Guest, **Dr.V.M.Muthukumar**, Former Vice Chancellor, Bharathidasan University, Trichirappalli, the learned scholars of the teaching community, supporting staff of administration, invited guests, Reporters from the media and my dear students. On the eve of the **64th College Day** celebrations, we have gathered here to proudly ponder over the great strides our premier institution has made over a period of more than half a century, to introspect the academic and allied activities of the current academic year, to relish our deeds collectively achieved, to cherish our contributions to the society with joy and satisfaction and to take a pledge for rededicating ourselves to the noble task of recasting the rural fabric of this backward district.

On this auspicious occasion, we feel that it is our prime duty to remember here with all gratitude the founders who are the cornerstones of this College.

The Founder President **Rao Bahadur Sri A. Veeriya Vandayar's** visit to Oxford and Cambridge Universities in 1955 became a great inspiration to start this college in 1956 to educate the rural downtrodden masses of this delta district.

The Vandayar Family donated more than 750 acres of fertile land for this college. During their life time Rao Bahadur Shri. A. Veeriya Vandayar and his illustrious brother **Shri A.Krishnasamy Vandayar** through their pioneering effort shaped this college into a temple of learning at Poondi village of Thanjavur District.

From 1972,our beloved Secretary and Correspondent, Shri. **K. Thulasiah Vandayar** has been dedicating his life to the cause of educating the poor villagers without any capitation fee for admission or without any consideration of money for appointment.

The **Autonomous status** granted in 1987 is in force with 30 years of rich experience reinforced with spotless success. The **National Accreditation and Assessment Council** (NAAC) of India accredited our esteemed institution with 4 star status in 1999; A Grade in 2007 and in the re-accreditation third cycle has awarded 'A' Grade with 3.38 points.We have submitted the Annual Quality Assurance Report (AQAR) from 2013-14 to 2017-2019 to NAAC.

As a forerunner to introduce technical education, **M.B.A.** Programme was started through Sri Pushpam College of Technical Education in 2000 with affiliations from Bharathidasan University, Trichirappalli and **AICTE, New Delhi**. We are proud that it has been elevated as Research Centre offering M. Phil. and Ph. D. from this academic year.

In 2006, the **Golden Jubilee** was celebrated and the then **Honorable President of India Dr.A.P.J. Abdul Kalam** graced the occasion and inaugurated the scheme **Poondi Pura** (Provision of Urban Facilities in Rural Areas).

In memory of the **Golden Jubilee year**, an institute under the name **SPIVET (Sri Pushpam Institute of Vocational Education and Training)** was established at Thanjavur to promote vocational education and continuing education.

Our institution is firmly standing with sprawling roots of culture and tradition and all the same the branches of modernity are waving their leaves atop. Our college is poised for a giant leap in higher education and research, in the years to come, with globalization of higher education to the forefront in our thoughts and with the calculated futuristic, untiring endeavours.

By virtue of my privilege as the Head of the Institution, I indeed feel the honour of presenting the **College Annual Report** which highlights our various activities and achievements during the academic year **2019-2020**.

The Annual Sports meet was held on 28 and 29 February 2020 in a grand scale. Mr. Vijayaragavan, Deputy Superintendent of Police, Namakkal presided over the function and distributed the Prizes.

To conclude, the unique and phenomenal growth of this glorious institution is all due to the constant and keen interest shown by the Managing Committee in general and by our beloved Secretary and Correspondent Shriman Ayya in particular.

We are highly indebted to the teaching fraternity for their untiring service, to the administrative machinery for its constant support and to the student community for its insatiable interest and involvement in studiously building this temple of learning of higher education and research.

It is indeed an honour for us that our college has been sanctioned an amount of Rs.80,00,000 FIST under the subject area: Life Science, Physical, Chemical and Mathematical Sciences by the Ministry of Science & Technology, Department of Science & Technology, New Delhi.

I am delighted to announce that our college has been sanctioned Rs.1,60,00,00 by UGC, New Delhi for Financial Assistance Under the Scheme of Development Of Sports Infrastructure & Equipment During XII Plan Period for the construction of 100 Bedded Sports Hostel and the process is completed.

We are happy to share that in the integrated Thanjavur District, our institution is the first to have Radio Frequency Identification in our General Library with Open Source to Software (KOHA). This equips our students and also Research Scholars from outside to borrow books.

I am equally delighted to announce that 1 Major Project was funded by DST SERB and for soft skill training and entrepreneurship by PMKVY, NHRC, New Delhi and EDII, Gurajat have been sanctioned during this academic year. I am glad to register here that the District Collector of Thanjavur has awarded Rs.10,500 in appreciation of Citizen Consumer Club of our institution.

At this memorable moment, we, the students and the members of the staff, take a pledge to dedicate ourselves wholeheartedly to raise the standard of this esteemed institution which strives to serve this predominantly rural and agrarian area and thereby to the nation at large.
