

## RESEARCH ETHICS COMMITTEE

### *ROLE*

- The Committee will work towards generating a healthy research environment for a global case.
- Inculcating ethical values will be the primary concern of the committee thereby promoting quality research.
- Technological tools available to check ethical conduct of the researchers will be made available in the campus for easy access of the researchers.
- Legal procedures related to research will be updated to the researcher when needed.
- The Head of the Institution will be immediately informed about the researchers who fail to follow the research ethics drafted by the college and the UGC. Academic programmes related to research ethics will be organized with the help of experts in the same field.
- Changes made by the UGC or the college regarding research ethics will be constantly updated by the committee to the researcher.
