

Digital Library

This Section of the A.V.V.M Sri Pushpam College Library provides access to a range of e-resources and web based Information services including mobile technologies. A few of the notable products and services are the multimedia resources access on different subjects pertinent to the university research interest using DSpace and GSDL. In addition to the scholarly and archived web resources, the Digital Library provides on-line access to college resources viz.. College News Clippings, Speeches Delivered by Vice-Chancellor, Video Clippings of Academic events, A.V.V.M Sri Pushpam College Journal of Science and Technology and Question Bank. This Digital library also provides access to a range of CD/DVD resources on Academic, Training, Research, Placement needs and for Competitive Examinations of National and International level.
